

Dear Friend of Earlsdon Methodist Church

We are contacting you on behalf of Earlsdon Methodist Church with an invitation to be part of our Christmas Tree Festival 2026

The festival is to take place from Thursday 10th – Sunday 13th December with entries being delivered or set up on Wednesday 9th December. The Church will be open from 9.30am until 6pm to allow you time to dress your tree.

During the event the public will then vote for their favourite in the children's and adult's categories and small prizes will be given for 1st, 2nd and 3rd places

We ask only that you restrict the overall size of your entry to roughly a metre square space and use only battery-powered devices with no flashing lights.

We really hope that you/your organisation will choose to take part in this event and enter into the spirit of Christmas with us.

Your tree can be decorated in any way you wish however we do have a theme again this year which is PANTOMINES, .

Once an expression of interest has been made and numbers have been established, further details will be released. we would appreciate it if you would also contact us if this is not something you/your organisation would like to take part in so that we can remove you from our contacts list for this year or permanently if you would prefer (so that we can comply with GDPR).

To contact us to express your interest please email on . emcchristmasfestival22@gmail.com

Where further details will be given.

Attached is a flyer and a poster for you to print off and display anywhere you like or hand out. We are always looking for new organisations and groups to join the festival so please do pass the message on. Please reply ONLY to this email address. We look forward to hearing from you soon.

With Every Blessing

Penny and Adrian McAinsh (on behalf of EMC)
